A Mobile Learning Experience

- Courses available 24/7
- Courses can be completed on most mobile devices, including an iPhone
- All courses hosted on the Canvas Learning Management System platform
- Simple enrollment process available 24/7 via Dedicated Ukrainian Academy Landing page
- Students begin courses immediately

Canvas is the world leader in e-learning platforms

Transfer Credit Support System

CHS has completed a full Ukrainian Education system review (Education Country Study). A course-by-course evaluation is available of all high school-level work.

Transfer credit awarded in three areas:

- 1 Exact Equivalency - Credit for specific CHS courses
- 2 Same Subject Elective - Credit for comparable subject areas
- 3 General Elective - Credit for courses CHS does not offer

Providing Academic Support to Ukrainian Refugee Students

Dual Credit

- Students can earn both high school credit and college credit for the same course
- College credit issued by Valley Forge Military College
- Qualifications transferrable to most U.S. colleges and recognized globally

Dual Diploma

- Students can earn a U.S. regionally accredited diploma and Ukrainian diploma at the same time
- Students are only required to take 6 online courses with CHS. All other credits transfer from their school
- No extra time commitment
- U.S. college admissions assistance
- Earn high school and college credit hours at the same time

Scalable Education Solutions
